Welcome...

you have

Technology is a part of our daily lives. Since we entered elementary school we have keyboarded, traveled the Oregon Trail and cruised the Internet.

And while the positive clearly out weighs the negative, technology can add stress to our complicated lives. The best reason for a late paper used to be, "my printer is broken ." E-mail took care of that excuse. Untimely crashes experienced while working on a graphic program such as Pagemaker 6.5 are also fun...not.

But we still love technology. Our cell phones, MP3's, CD burners, Napster and digital cameras let us stay in touch with things that matter most to us-- friends and music!

The Railsplitter staff presents the school year for you to enjoy in the cutting edge style of weekly chronology with plenty of special features that made your year memorable. Surf through 273 pages of photographs and information at www.lincoln.edu and enjoy.

Softball

“You get on , I get on Lincoln. You get on, I get on Lincoln. You get on I get on, round the bases all day long. You get on I get on L i n c o l n . ”

This was the cheer that started the Softball team spirit every game. The girls had an impressive season. The y showed that they had what it takes to be a winning team. The softball team participated in many tournaments and played in many games throughout the season.

For the seniors that left the team this year, it was a sad good-bye, but the girls who are returning next year are excited about what they will accomplish.

The first week of school was rough on everyone. The extreme 90 degree heat of our ending summer was excruciating- but we made it through. Orientation made it much easier for the freshman to find their classes and meet their new teachers. The chicken bowl gave us time to hang out with our friends, watch football, meet new friends, and dance our hearts away. With classes starting, the freshman are learning how much fun highschool can be, while the upperclassman already know the routes. Either way we are all discovering new things and having a lot of fun while doing it. If you can't already tell this is going to be a jam-packed fun filled year.

YAY! chickenbowl!

Top: Seniors Sarah Stockton, Annie Beaman, Seth Daniels, and Lisa Birocci showed the underclassman who the real fans of Lincoln's football team are.

Top: Our football team hikes the ball to get the first game of the season off to a good start.

Above: The Rail spirit is alive! Students are excited to get the school year officially underway by attending the first football game.

Right: Here are those band guys again tooting their horns.

On the 4th of September, students celebrated Labor Day with their families. Science Bound and Debate held their first meetings. The cross country team started off an incredible season. The football team headed north, to Ames while the volleyball team beat S.E Polk, at home, 3-1. The school had its first fire drill... no one died.

A spectator managed to grab and run with the 2000 Olympic Torch in Kiama, Australia one week before the Summer Olympics began. Police stopped him shortly after. Gore and Bush were still campaigning for Presidency. And the heat wave continued through-out Iowa.

Lincoln Candids

This month was definitely full of surprises, especially with the dismissal of head basketball coach, Bobby Knight from Indiana University.

The Thespian initiations were very surprising for the new members. The boys never thought they would have to dress up in girl's dance recital costumes and dance around for all to see!

Fall sports, golf, swimming, volleyball, crosscountry and football are practicing daily and into their playing schedules.

212 students were awarded academic letters Tuesday, September, 12th in the auditorium.

How do you get through the **CROWDED** hallways?

"I simply pick up the freshmen and move them out of the way." -Junior Janelle Tomlinson

"I hide and after all the freshmen pass, I run to my next class." - Junior Eddie Moriarty

"It's terrible. There are too many little kids... EVERYWHERE!" -Senior Ryan Statler

"There are more routes to take than the main hallway and skywalk." - Senior Heidi Hart

This was an exciting week. There was preparation for Homecoming week and many sports events were still going on. The boys golf team, freshman, sophomore, and varsity football, boys and girls cross country, volleyball, and girls swimming all preformed well against their tough opponents from Ottumwa. Practice began for all junior and senior girls who were ready to show their manly side out on the football field for Powder Puff football. Senior guy coaches Brett Beltrame, Ryan Squire, Jamey Meyer, Ryan Statler, and Andrew Salgado held practices at McComb's Middle School while Junior coaches Antoin Vasant, Eric Voigt, Geoff Metge, Justin Vasey, Dillon Burns, and Doug McCool held practices at Brody Middle School. The girls from both sides ran drills and plays with the help of their coaches. Both teams prepared for some competition and both were determined to win. They worked and learned their stuff so they would be ready for the game.

Whether or not we win, I'm just really excited to play! Practices have been going really well. We are working hard and the coaches are doing a good job.

-Tia Bernard, Junior

Clockwise from left: Senior girls show that they can be as tough as the guys in football at Powder Puff practice.

How could girls that look so cute be such monsters on the foot ball field?!!

Senior Lacy Clark shows the Junior girls what she thinks of them!

Senior Brian Pfeifler and Junior Doug McCool head out to plant some trees for Mr. Hendricks' Conservation class. The school cop, Officer Curtis trudges down the hallway in pursuit of those naughty Lincoln freshman who went to Pete's for lunch that day. Sophomore Brody Ross takes a few practice swings before an important drive during a tournament. During an intense huddle during halftime, Freshman Alvin Lovanrack prepares to guzzle down much needed water after an exhausting first half.

Freshman Chris Tillinghast - It would definately have to be senior Angela Henscheid.

Sophomore Maria Pascuzzi - I would say Freddie Prince Jr. would be my dream date.

Junior Doug McCool - Probably Jennifer Lopez!

Senior Annie Whyte - My best friend Ricky Robinson.

WHO WOULD BE YOUR DREAM DATE FOR THE HOMECOMING DANCE?

The volleyball girls pumped-up in practice for their next volleyball game. Their season lasted nine weeks and they played seven tournaments doing very well in all of them.

Swimmers started their day with 6 a.m. practice and finished up with afternoon workouts. They couldn't have done it without the help of their mascot Duckie.

LHS band slogged through dewy grass every morning for three months responding instantly to the bullhorn making sure every line and turn was correct.

In the band room, marchers kept their "mud shoes" piled up in a corner for easy access for early morning practice sessions.

Love, Comedy, and a four-foot sausage all rolled into one two hour play. Yes, I'm talking about the fall play, *Scapino*, which was performed on November 3 and 4. For those of you who may have missed it, the play was about a young man, Ottavio who falls in love with a woman his father does not approve of. The woman and Ottavio marry, but to the woman's dismay, Ottavio's father, Argante, had other plans. When Argante returns to the town, Ottavio ask his servant, and friend, Scapino to help him with his troubles. Scapino tries many different things to help out Ottavio, but in the end, none of her cunning plans were needed. This comedy was very funny, and the acting was great.

Winter sports definitely got off on the right track starting with the annual Winter Kick-Off, featuring both boys and girls basketball, boys swimming, wrestling, cheerleading and railettes. The basketball teams began their season with the Drake Jamboree while the railettes performed their pom routine there also. Student council started their can food drive, which donates food to combat hunger. Time is really going by fast, as the first semester soon comes to a close.

If you could have any super-natural power, what would it be?

"X-Ray vision because it would just be cool."
Senior Randy Costanzo

"I would want to be able to run really, really fast so I would get to places on time."
Junior Nicole Hoopes

"Fly because I would never have to walk again."
Junior Dusty Heglin

"It would be to make the world safe, with no violence."
Freshman Dana McDonald

SENIORS VS. FACULTY

VOLLEYBALL GAME

Wednesday, November 22, many Lincoln students filed into the Round House during their sixth and seventh period classes to watch the seniors in a heated battle with the faculty in the annual Seniors vs. Faculty Volleyball Game.

Although the Seniors put up a good fight, the faculty came out victorious which meant a rather dissapointing loss for the Seniors considering their expectation to win.

Senior Annie Whyte, in a desparate attempt to reach the ball before flying out of bounds, left into the air, and came back down

Stephanie Adrianse's reaction after accidentally hitting an innocent by-stander in the head with a volleyball.

landing sideways on her ankle. She sustained a few painful bruises, but luckily, the injury wasn't severe, and no bones were broken.

Spirited Seniors Cory Gatts and Cody Wade created their own "LHS Senior" shirts they wore to play in.

Among the most entertaining parts of the game were numerous teachers and seniors falling on their butts.

Future seniors, use this year's game as a lesson. It would probably not be a bad idea to hold one or two practices before the big game, so as not to disapoint the rest of the student body. (No offence intended).

The senior guys anxiously await their turn to get in the game and show their stuff.

Jeff Naples serves the ball hoping to make a much needed point for the seniors.

Mr. Cannon, Mr. Carnes, and Mr. Maxwell prepare to bump the ball back to the seniors.

The Railettes competed in their State competition on December 1st and 2nd held at Veterns Memorial Auditorum. Between the three teams, JV Railettes, Varsity and the Railmen, the dancers received one ratings for every routine and placed 3rd in varsity lyrical and 2nd in All-Male. The teams have worked since last summer to prepare a total of seven dances for competition. To top it all off, the Lincoln dancers brought home the sportsmanship award which was voted on by their peers. The Railsplitters basketball teams took on Indianola on Tuesday, November 28th. The varsity girls won with an outstanding score. What a great week it was to start off the month of December.

How did you feel about the results in your State competition?

Junior

Chelsea Chivaro

"I think we did well overall, but we really deserve to beat Dowling! Plus we got the best award of all, the Sportsmanship Award!"

"I think for our level we did exceptionally well. We all had lots of fun and I'm looking forward to next year."

Sophomore

Katie Galasso

"After all of our hard work and long practices, I think it all really paid off at State."

Freshman Alyssa Dawd

Although it was a short week, there were many events going on. At least, there was supposed to be! Due to the ever lasting snow, it was a week full of cancelations. The band and the orchestra were both scheduled to have their concerts at the beginning of this week. To everyone's disappointment both events did not take place. Even after all the cancelations, Business Professionals of America managed to hold their Secret Santa Christmas Party at Corigliano's.

Juniors Heidi Johnson "clowns around" with Chelsea Connell at the Business Professionals Christmas party.

Ms. Abarr smiles appreciatively as she opens a great picture frame from the Business Professional students engraved with "Thanks for all you do...We'll never forget you."

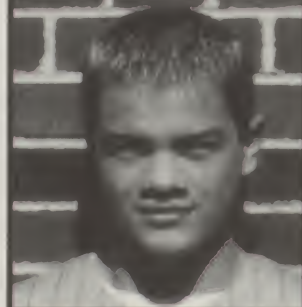

What are your plans for Winter Break?

Senior, Chad Stevens - I am going on a trip to Colorado where I will go snow boarding.

Junior, Katie Kistenmacher - I plan to stay here in Des Moines and spend quality time with my family and friends.

Sophomore, Dustin Bachman - I am looking forward to hanging out with my friends and spending Christmas with my family.

Freshman, Kayla Anderson - I'm just staying here with my family!

Mr. Johnson - I plan to visit my in-laws in Northeast Iowa where I will go trout fishing. It is possible I will be joined by Mr. Hammond.

Left: Seniors Stephanie Tillinghast and Michelle Clark smile as they compare the great presents they recieved from their families for Christmas.

Right: Lady's man, Senior Andrew Salgado is trying to decide which sexy sophomore sweetie to charm tonight.

Winter Wonderland

Braving the arctic winter weather, Senior Holly Belieu manages to flash a smile on her way into school from the distant north 40 parking lot.

The beautiful old architecture of the school building is amplified by the fluffy white snow. It gives off a sense of history and tradition. After all, this is Lincoln's 77th year on S.W. 9th.

Serving as... *A Focal Point of Pride for the Southside*

Dr. Loffredo, Principal

We at Abraham Lincoln High School continue to serve as a focal point of pride for the entire southside community. As always, it is with this pride that I describe a few of many highlights of our past school year.

As we've become accustomed, Lincoln students again demonstrated a myriad of abilities through both curricular and co-curricular activities. Many examples of this are reported throughout this year's "Railsplitter".

Academic excellence was demonstrated by many of our over 2,100 students. Examples of this included: 312 students who earned academic letters, 87 students who participated in the National Honor Society, 29 students selected as National Youth Leadership recipients, and six students who were recognized by the National Merit Scholarship program.

In addition, the band, orchestra, and show choirs all received "1" ratings in State competition during the past school year. Debate, drama, and Ambassadors, also performed at very high levels.

Students participated in 19 different sports during this past year. Our wrestling team was conference and district champions. The boys and girls basketball team each won conference championships as did the Lincoln volleyball team. A terrific student body and tremendous support from the Build Lincoln Higher Club continues to raise the bar for even greater success by the LHS athletic program.

As principal of this outstanding high school, I want to congratulate the senior class for their personal accomplishments and contributions to Lincoln High School. To our underclassmen, I want to remind you of the high expectations that have been established over the seventy-seven year history of our school. Lincoln students continue to lead the league in cooperation, respect and pride.

The beginning of January--a new beginning of sorts. Some new classes, definitely some resolutions and a flurry of activity starts up again as sports teams and music groups move into district and state competitions.

These are some faces, you guess the places of Lincoln High School students in crowds and activities enjoying what high school is all about. Getting out and being with friends!

We all dread the week of finals. One hectic week of testing and studying had arrived. Friday, after the last final, many students celebrated the end of the first semester with their student athletes. Friday night the varsity basketball players took on Ottumwa while the swimmers were racing to win against Hoover.

Clockwise (Starting at Top Left): Freshman Ashley Meers took her foul shot at the freshman girls basketball game Monday night against Ottumwa. Junior Mark Phillips aka Drummer Boy took a break to cheer on varsity basketball on Friday against Ottumwa. Freshman girls basketball team warmed up for the big game against Ottumwa. Mrs. Cowles Spanish class crammed for the final during class on Monday. Sophomore Tyler Bohlke sports the back stroke at the swim meet against Hoover on Friday.

What is your favorite pick-up line?

Senior Anthony Carlino

"Do you have a band-aid?"
Why?
"Cuz I've fallen for you."

Junior Jennifer Jeffery

"I lost my number can I have yours?"

Sophomore Marshall Moon

"You have so many curves. And me with no brakes."

Freshman Haley Kuntz

"If I had you I wouldn't have to dream anymore."

WE LOVE SCHOOL!!!
 WE LOVE SCHOOL!!!
 WE LOVE SCHOOL!!!

The year seems to be dragging on, but the Lincoln High School spirit hasn't faded a bit. Our basketball teams, boys swimming and wrestling team have been outstanding at their tournaments and meets against North High. Not only have sports been a few highlights of the year but Business Professionals of America earned awards in their conference that they attended. Also, Lincoln held it's Annual Blood Drive in the school library. Many students participated in this donation. Even though we might be happy when school finally ends in June, we are living the moments, learning and having fun with the time we have left.

Over eleven inches of snow, bitter cold, freezing rain and five snow days took over the end of January and the beginning of February. Through out the blistering weather the seniors managed to show up for commencement speaker tryouts. The students that will be speaking at commencement are: Lena Sylalom, Jessica Nelson, Adam Elliott. Students of all different talents and activities tried out for the Talent Show. Faculty, students, and family enjoyed breakfast together at the Annual Pancake Breakfast where they were entertained by the Lincoln High band. The blizzard moved in and caused many cancellations at Lincoln this week. Among all the cancellations, the biggest events of the year, Talent Show and Sweetheart, were both postponed. This caused many problems for students, staff, businesses and parents. Tuesday nights girl's Varsity basketball game was the only game still played. The girls took on Roosevelt in the Bowen Roundhouse with an outstanding victory. Even with all the bad weather, the Railettes still managed to travel to S.E. Polk for their MidAmerican Regional Competition. The Varsity and JV squads both received the Sweepstakes Award. The Winter squad made their first appearance and received the Best in Class Award for a large production group. Best of all, Mrs. Nigro received the Director of the Year for the second year in a row. Congratulations to all of the dancers and their coach.

February Blaaaaaaaaaaaaaaaaas!

"We have exceptional young golfers this year. We have one senior, one junior, one sophomore and the rest are freshmen. We started off slow because of our early practices, but we are doing very well in the last meets."

Coach Schartner

"It was an awesome year for Varsity, Junior Varsity Railettes, Railmen and Co-ed. It was virtually a stress free year. It was an overall great year for everyone."

Spring into Sports

The season of spring sports got off to a rough start this year. The weather did not cooperate delaying many of Lincoln's athletes from practicing and canceling many games. They finally got off to a good start and the season is going better than ever.

“A winner never quits and a quitter never wins.”

Lincoln's track team has made their comeback this year. Coach Van Dyck rebuilt the team into something better than he even expected. The Urbandale Invitational was the first win in the series of four against SE Polk, Roosevelt, and the Lincoln city

meet. "Three years ago, the idea of winning the Urbandale Invitational was not even on the horizon," said Coach Van Dyck.

Above: Senior Randy Costanzo says, "Woo-Yah" as he prepares to throw the discus at Lincoln's city meet.

Right: Junior Rumel Monk was the boys track star in the long jump this year. He jumped 22-3. A record jump that qualified him for the Drake Relays. Rumel won three first place finishes at the Urbandale invitational and helped Lincoln to win its second title in three days.

Right: Junior Katie Longden, Sophomore Sara James, and Junior Kristina Dilling gave each other a good luck hug before warming up for the meet at Lincoln.

The girls golf team got off to a rough start this year. The weather did not cooperate, canceling many of their golf meets. The team kept a positive attitude at practice even though they had to play in the drenching rain. The team consisted of mostly freshmen. Although there was not much experience, the team managed to do very well. The girls golf team made Coach Schartner's last year of coaching very memorable. Schartner coached girls golf and girls basketball, but even after retiring he will continue to coach girls basketball for Lincoln.

Far Left: Freshman Alexis Opie hoped to drive the ball onto the green during practice at Blank.

Left: Freshman Alyssa Dowd drove the ball toward the green at practice hoping to make par.

The tennis team had a great season this year. The girls tennis team received a second place finish in their conference meet. They defeated several opponents, including East, North, Hoover, and Roosevelt. The boys tennis team won several meets including the meets against Valley and East and a strong performance at

the East doubles. They look forward to the underclassmen taking charge and leading the team to many more victories next year.

Hola

What really goes on in Spanish IV and V anyway?

Our question was answered when we followed them from the classroom to in front of Lincoln where they hit an innocent snowman with a stick--and all for some candy.

It is true that you have to speak the language from the second you step in the classroom. Why not! As they say, "When in Rome, do as the Romans do." Except in this case, do what the Mexicans do--speak Espanol.

Spring finally arrived and the weather held out for most scheduled and rescheduled events. The Boys JV tennis team won against East during an intense game at home. The Girls JV soccer team played against Newton and put in a good effort. The show choir sang their hearts out on Thursday night at their concert and wowed their audience. After the concert the members had a little party to celebrate their performance.

Boys track went up against valley Relays on Friday and blew the dirt off the track. Drama practiced all day long for their new play godspell and I believe it was the best play of the year.

As the end nears Seniors panicked about turning-in last minute papers and projects and parents panicked as well to get the graduation party planned.

A wild ride with Show Choir!

One cold and snowy day in February, the Show Choir loaded their bags and snacks onto a bus and took off to compete in a competition in Fort Madison. Omega and Infinity performed in three out-of-town performances during the year. Each one was as fun on the stage as off. Both groups performed in town at the Civic Center and in fall and spring concerts.

It was starting to get warm outside and summer sports were heating up. There were girls tennis meets on Tuesday and Thursday. The girls didn't do well against Indianola on Tuesday, but Thursday the top six girls went to Regionals to show everyone what Lincoln is made of! Girl's Soccer games were on Monday, Thursday, and Saturday. They played well at the tournament Saturday in Marshalltown. Varsity Boy's Track Conference Meet was held at East on Tuesday and Friday Varsity Girl's Track went to State. To top it all off, Friday night the All Sports Banquet was held at the Val Air Ballroom. All Lincoln athletes were recognized and congratulated. The South Side String Festival filled Lincoln with music on Monday and the Jazz Band Concert was rockin' the Lincoln auditorium on Tuesday. The seniors directed one act plays on Thursday night for a little entertainment. The highlight of the week was on Thursday during school when Ambassadors and Peer Helpers went to Rock and Prevention downtown at Nolan Plaza. It recognized people who risked their lives by saving other people and Junior Brian Dissinger was one of them.

MAY 26, 2001

The last week of school should have been the previous week, but of course we had to make up the snow days we enjoyed during the winter months.

Time in class was spent mourning the absence of all of those fun seniors who strangely enough were still making appearances in the building from time to time particularly during the lunch periods.

The rest of us mere mortals hurried to get final projects, papers and tests taken care of and turned in on deadline.

Baseball and softball games are turning into double headers with several make-up games due to rain last week.

Girls soccer is winding down and meetings for fall sports are listed everyday on announcements. Happy summer!

To us it seems just yesterday
The day you came along.
So small and sweet but even then
You seemed to have a song.
You sang it first with simple words
A smile upon your face.
And everywhere you went you made
The world a better place.
Oh, time has flown and you have grown
So handsome, straight and tall.
And still you sing the song of love
You sang when you were small.
The words have changed and so have you
But still you sing them loud.
Wherever you go we pray you know
You make us very proud.
Love, Mom and Dad

From the time she could walk, she was constantly proving she had a mind of her own and that she certainly wasn't going to be the typical toddler.

She has proven her specialness ever since. All of us around her are truly privileged to be recipients of her quick mind and sharp sense of humor, her generosity, sensitivity and wisdom. An angel from heaven came down to me in November of '82. The "time" had arrived. Your Dad, sister and I discussing the name given to you. You always were such a happy child. Your quiet demeanor-disposition so mild. Your Grandpa does, and Grandma did hold you so dearly as they lovingly watched you grow year after year. A beautiful young lady you turned out to be. My little sweet darlin'. My dear "Ashley E."
Always, Mom

We watched your artistry change to the art of drama and dance and have been proud of you all along the way! As if "life is a dance that you learn as you go," we are always here and can't wait to see the art you will create in your young adult life. Good luck with the future Bubba! We love you!

To our daughter Miss Stephanie Ann Tillinghast, The time is here to reflect upon your short past. You've grown from a tiny, sweet, bald-headed baby, into a beautiful (inside and out) young lady! Molded into what you are today by these things, proudly and with love we'll watch what your future brings!
Mom, Dad, Chris & Nick

Jessica Joy, Eighteen years ago we were blessed with a gift from heaven and through the years you have lived up to your name. You have been a "joy" in our lives that has lifted our spirits and lightened our steps. We have been increasingly proud of your accomplishments, but more importantly, we love who you are on the inside. We know it's time for you to spread your wings and fly and we can't wait to see what God has in store for your bright future.

Kara Archibald

My little gift from God! My dream of a daughter came true. You are a true blessing. From your radiant smile to that beautiful blonde hair, your personality glows. You have been challenged with many things throughout your life. But your strong will and motivation has made you succeed in all you do. Don't just dream your dreams, but live them. Always love yourself and have faith.
I'm by your side always!

**Lincoln
 Buddies
 of 2000-
 2001 have
 just signed
 off... GOODBYE!**

It cracks us up when someone calls the yearbook room and asks to borrow rubber cement. Hello welcome to the twentyfirst century and shake hands with some publication technology. Pasting up copy hasn't happened at Lincoln for years.

We created the 2000-2001 yearbook on twelve Macintosh computers. We transferred photo files and layouts created on Pagemaker 6.5 on a shared folder that served as a link between our computers.

This was our first year working with Jostens and Tim and Barry dropped in often to share our latest crisis. We scanned around 80% of our 35 mm photos on a flatbed scanner and ran them through Photoshop 5.0 before placing them in chronology and feature layouts.

Seniors Sarah Heisler and Brandy Martin and Junior Ana Mason were team members responsible for weekly chronology. Molly Goodrich and Allie Mauch created features during the first semester. Juniors Annie Jones and Lindsey Mason and Senior Shannon Swehla produced the large group section. Seniors Steve Havemann and Scotty Nichols produced the sports section--call them if you notice any errors. Dan Nizzi produced weekly chronology and feature layouts along with layout rescue missions and provided daily entertainment for the entire class.

The majority of features were creatively designed by Senior Stephanie Tillingham. Juniors Karr Kauzlarich, Katy Petersen, Diana Sterbick and Ashlee Link were responsible for the majority of weekly chronology and assorted feature layouts. Their dedication and commitment to detail was wonderful along with their willingness to work outside of class to keep the book on deadline.

Special thanks to roaming photographers Junior Joe Mignano and Senior Stephanie Adrianse. They provided hundreds of images that made up your year.
